Assessment Criteria for Membership:

As you would expect, our different levels of membership have slightly different criteria.

The following are the requirements we have set down for Licentiate and Full Membership. Please consider these when assessing an applicant.

Licentiate (LSDC)

- Excellent skill and individuality in the work
- Sensitive, effective and innovative use of materials
- Showcasing work with future creative and commercial potential
- A personal appreciation of the part craftsmanship plays in the development of ideas
- Evidence of sustained drive and commitment and a realistic understanding of the problems of working as a designer maker
- An awareness of contemporary design through craftsmanship

Full Member (MSDC)

- Exceptional skill and individuality in the work
- Sensitive and effective use of materials
- Evidence of innovation and originality in the work
- Recent, active exhibition record
- Sustained body of work
- Engaging others by passing on skills through teaching
- Evidence of sustained commitment to excellent design and quality craftsmanship
